

# TROUBLEMAKER

BY AUSTIN HOPE

## BLEND 15

Comprised of varietals that flourish in Paso Robles' distinct growing region, Troublemaker consists of Syrah, Petite Sirah, Mourvèdre, Grenache, and Zinfandel. Syrah is the backbone of the wine, setting the stage for a fruit-forward style and a full body. Petite Sirah contributes to the deep ruby color. Sweet and bright red fruit flavors of Grenache blend with the rustic and lively flavors of the Mourvèdre, while Zinfandel adds its signature zing to round out the blend.

## HARVEST

The vineyards that we source for Troublemaker are located along the Central Coast, with the majority grown in the Paso Robles AVA. The region is primarily arid, like the Mediterranean, so the inland areas of the Central Coast tend to average 14 inches of annual rain and have mild to moderate weather throughout the growing season, which are perfect for red varietals to grow. Our summers are warm to hot which slows berry development, keeping them small with a desirable skin to juice ratio. We harvest from mid-September to late October: ~~that are~~ typically warm and dry, aiding in fruit maturity. Our growing season is long, aiding in pronounced and balanced flavors and color.

## WINEMAKING

The grapes were harvested, crushed, then cold-soaked prior to fermentation in five-ton, open-top tanks, as well as ~~and~~ 20-60 ton closed-top stainless steel tanks for 7 to 14 days. Wines were aged in oak for an average of 30 months, depending on the vintage (2016 – 2021). All barrel aging was done in French and American oak barrels, 70% of which were new. Blend 15 was initially assembled in January of 2022. The final blend was cross-flow filtered prior to bottling in late March of 2022.

## TASTING

Our Troublemaker Red Blend is a delicious medium bodied blend that displays rich dark baked fruit characteristics on the nose and pallet. Additional flavors of cracked pepper, bacon fat and caramel are balanced with signature splash of acid that brightens the finish.
