

TROUBLEMAKER

ROSÉ

2017 ROSÉ

Troublemaker Rosé is a refreshing, light-bodied blend of Valdiguié, Grenache, Syrah and Mourvèdre. Valdiguié, a red grape that originates from the south of France, adds bright red fruit notes to the wine, while Grenache, Syrah and Mourvèdre add subtle berry notes and an element of complexity.

VINEYARDS

Grapes for Troublemaker Rosé are sourced from vineyards in the Paso Robles Highlands District. Harvested at night in mid-September, the fruit arrived at the winery cold, where it went direct to press and was fermented separately by varietal.

HOW IT'S MADE

Troublemaker Rosé was produced using the direct pressing method, where individual lots of grapes were pressed whole cluster with no maceration time resulting in an incredibly light pink color. The juice from these grapes was then fermented separately, by varietal and aged in stainless steel tanks before blending. After the final blend was assembled, the wine was gently crossflow filtered before bottling.

TASTING

Color - Light pink with purple accents

Flavor- Bright fruit, rose petals, strawberry

Finish- Clean, refreshing and light-bodied

TECHNICAL NOTES

Varietal Breakdown: 90% Valdiguié, 4% Grenache, 3% Syrah and 3% Mourvèdre.

AVA: Paso Robles

Fermentation & Aging: 100% stainless steel

Filtered: Crossflowed

Bottled: March 15 – 16, 2018

Production: 8,500

TA: .82g/100ml

pH: 3.42

Alcohol: 13.5%
