

# TREANA

## 2022 TREANA RED RESERVE

Treana is rooted in the Hope family's Paso Robles heritage, dating back to the inaugural vintage of 1996. Treana's trio of natural elements—the soil of the vineyards, the warm sun that nurtures, and the cooling Pacific breeze—creates the perfect balance for our flagship wine. This limited small-batch release, featuring the original label artwork, has been assembled from our best vineyard blocks with extreme focus and extended barrel aging. We are proud of all that Treana has achieved, but even more so of what our home, Paso Robles, has become on the global stage.

## HARVEST NOTES

The 2022 growing season was slightly warmer than average. While generally mild in spring with few frost events, the summer months were mild with unusually long heat events lasting five to seven days. Veraison was fairly mild and berries quickly matured. Early September saw very warm temperatures for an extended period. This rapidly increased brix and grapes were harvested about a week earlier than normal.

## VINEYARD NOTES

We took full advantage of what the Paso Robles AVA has to offer for this Red Blend. We sourced from seven of the eleven districts in the AVA. The diversity of microclimates helps make for a great blend. The three most-sourced districts were the Estrella district with elevations from 900 feet to 1100 feet and loamy, ancient riverbed soils. The Geneseo district at 1000 feet to 1100 feet and loamy to clay loam soils with great calcareous integration. And the Creston district at 1100 feet with gravelly soils with well-integrated, water-worn calcareous deposits.

## WINEMAKING NOTES

After harvest, vineyard lots were fermented individually in stainless-steel tanks for 14 to 20 days. Carefully managed pump overs and extended macerations enhanced the extraction of color and tannin. The varietals were aged separately for 9 months in French oak barrels, of which 25% were a mix of once and twice used. In the Summer of 2023, the Cabernet lots, already earmarked for the 2022 Treana Red, were tasted by the winemaking team to further select and remove individual barrels that display exceptional quality and character for the Reserve program. The initial blend was assembled in July of 2023 and barrel-aged an additional 12 months in 100% new French oak. The wine was racked only twice during its cellar life, with the final racking occurring just prior to filtering and bottling.

## TASTING NOTES

The 2022 Treana Red Reserve possess a lush purple hue that captivates. Aromas of violets, cassis and nuances of fresh leather and tobacco set the stage for what is next. On the palate, layered and expansive flavors of dark brooding fruit, vanilla bean and hints of fresh brewed coffee. Balanced richness extends into a broad, chewy finish with well-integrated tannins.

## TECHNICAL NOTES

VARIETAL(S): 80% Cabernet Sauvignon, 14% Syrah, 1% Merlot, 1% Petit Verdot, 1% Petite Sirah

AVA: Paso Robles

HARVEST DATE: 9/8, 9/15-9/16, 10/7, 10/10, 10/15, 10/19, and 10/28/22

OAK PROGRAM: 9 months in 25% 1-2x FO, 12 months in 100% new FO

TIME IN OAK: 21 Months

ALCOHOL: 15.00%

TOTAL ACIDITY: 0.60 tartaric/100mL

pH: 3.73
